

Indian Trail Improvement District

Notice is hereby given that the Indian Trail Improvement District is offering citizens the opportunity to make comments on the proposed grant application CDBG-DR competitive solicitation issued by the Florida Department of Economic Opportunity (DEO) with funding provided by the U.S. Department of Housing and Urban Development (HUD) Community Development Block (CDBG) to address unmet infrastructure needs related to improvements deemed necessary after Hurricane Irma. The project will consist of mitigation activities to the District's East-West Conveyance System between 80 Lane N and 82nd St N between the L and M Canal, Loxahatchee, FL 33470. These activities include the dredging and re-shaping the canal banks to increase the conveyance system to provide uninterrupted service during an emergency. The District is requesting \$1,000,000. The program does not require matching funds from the District.

The comment period begins on Monday, June 16, 2020 and ends on Monday June 29, 2020. All **comments must be submitted to grants@indiantrail.com and must be received no later than close of business on June 30, 2020** to be included with the application package submitted to the State of Florida.
